

**Grant County Health Department
Seasonal Flu Vaccine Information
(Updated 12/03/09)**

We received adult seasonal influenza vaccine. This vaccine is \$25.00 per dose.

We do not have free VFC seasonal influenza vaccine at this time.

Target Group for Seasonal Flu:

- Children aged 6 months through 18 years of age
- Pregnant women
- People 50 years of age and older
- People of any age with certain chronic medical conditions
- People who live in nursing homes and other long-term care facilities
- People who live with or care for those at high risk for complications from flu, including:
 - Health care workers
 - Household contacts of persons at high risk for complications from the flu
 - Household contacts and out of home caregivers of children less than 6 months of age (these children are too young to be vaccinated)

Children under 9 years old receiving seasonal flu vaccine for the first time and those not completing a series in previous year should receive a booster shot one month or more after the first shot to be protected.

See county website (www.co.grant.wi.gov) to see Vaccine Information Sheet (VIS) or call for further information.

Location:

Grant County Health Department, 111 South Jefferson Street (2nd Floor), Lancaster, WI , call to make sure a nurse is available.

All influenza vaccine is while supplies last. Call (608) 723-6416 with questions or if clarification is needed.
